a) The Club may indemnify a Director or Officer of the Club against liabilities, including judgments, settlements, penalties, fines and reasonable expenses and legal fees incurred with respect to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative and whether formal or informal. Such indemnification is permitted by the Club if the person seeking indemnification:

(i) conducted himself in good faith;

(ii) reasonably believed:

(A) with respect to conduct in his or her official capacity for the Club, that his or her conduct was in the Club's best interests, or

(B) with respect to conduct in other capacities, that his or her conduct was, at least not opposed to the Club's best interests; and

(iii) with respect to criminal proceedings, that he or she had no reasonable cause to believe his or her conduct was unlawful. The termination of a proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its

equivalent shall not be determinative of whether the foregoing standard of conduct has been satisfied.

- b) The Club shall not indemnify a Director or Officer of the Club in connection with:
 - (i) a proceeding by or in the right of the Club, in which such person is adjudged liable to the Club; or
 - (ii) any proceeding charging improper personal benefit to that person, in which he or she is adjudged liable or, the basis that he or she improperly received personal benefit(s).

Section 2. Authorization of Indemnification.

- a) The indemnification of a person, permitted by the foregoing provisions, must be authorized in the specific case after a determination has been made that indemnification is permissible under the circumstances because the applicable standard of conduct was met. This determination shall be made by:

 - (ii) if a quorum cannot be obtained, by a majority vote of a committee of the BoD designated by the BoD, which committee shall consist of two or more Directors not parties to the proceeding; except that Directors who are parties to the proceeding may participate in the designation of Directors for the committee. .

court, after giving any notice it considers necessary, if it determines that such person is entitled to mandatory indemnification pursuant to these Bylaws or law, the court shall order indemnification in which case the court shall also order the Club to pay such person's reasonable expenses. If the court determines that such person is fairly and reasonably entitled to indemnification in view of all of the relevant circumstances, whether or not such person meets the standard of conduct set forth in these Bylaws as a condition of indemnification, or whether such person was adjudged liable in such circumstances which would ordinarily prohibit the Club from making indemnification, the court may order such indemnification as it deems proper.

Section 4. Reimbursement of Reasonable Expenses. The Club may pay for, or reimburse, the reasonable expenses incurred by a Director or Officer of the Club who is a party to a proceeding, in advance of the final disposition of the proceeding, if:

- a) the Club is furnished with a written affirmation of such person's good faith belief that he or she has met the applicable standard of conduct;
- b) such person furnishes the Club with a written undertaking, executed personally or on his or her behalf, to repay the advance if it is determined that he or she did not meet such standard of conduct; and
- c) a determination is made that the facts then known to those making the determination would not preclude indemnification under this paragraph. The foregoing undertaking shall be an unlimited general obligation of such person and need not be secured and may be accepted without reference to financial ability to make repayment.

Section 5. Insurance. The Club may purchase and maintain insurance on behalf of an individual who is or was a Director or Officer of the Club and who, while a Director or Officer of the Club, is or was serving at the request of the Club as a Director, officer, partner, trustee, employee, fiduciary or agent of any other foreign or domestic corporation or of any partnership, joint venture, trust, or other enterprise or employee benefit plan against any liability asserted against or incurred by him in any such capacity or arising out of his or her status as such, whether or not the Club would have the power to indemnify him against such liability under the foregoing provisions.

Section 6. Notification to Membership of Indemnification. If an indemnification or advance of expenses to a Director arises out of a proceeding by or on behalf of the Club, such indemnification, if made pursuant to the foregoing provisions, shall be reported in writing to the Members with or before notice of the next meeting of the Club.
