Competition Report

Given by: Richard Darnell

74 cars attended the last event. There were 7 runs.

Richard suggested supplying water for workers during the hot summer months. We will try this at the next event.

The July 10th event has been moved to July 17. Dan Chadwick needs to put a notice that we need a chairman for that event.

Accepted by: Dean
2nd by: Jason Farley

Old Business

Talking to the novices about cones, etc., during the novice walkthrough (discussed at May meeting) has proven effective.

More discussion about implementing bar code system discussed several meetings ago.

Accepted by: Dean
2nd by: Andrew

New Business

Still need to order more cones.

We discussed discounting the entry fee, or providing some incentive for the event chairman and competition director each event.

Richard motioned that the competition director pay ½ price and the event chairman run for free, starting next season, for each event. This got a 2nd from Dean and was passed by all.

Richard motioned to adjourn at 7:46pm
