RE Report: Given by Andrew

The last 2 events have been trouble-free. The region had a good showing at the Blytheville National Tour: Brian was 1st and Dan was 2nd in SSM, Tara was 1st in XPL and 2nd in the ladies' championship, Randall was 1st and Jim Bennett was 2nd in XP, Carter was 1st and Jim Thompson was 2nd in BS, and Jerry was 3rd in ASP.

Andrew has been contacted about a possible club sponsorship and will follow up.

Motion to accept: Louis
2nd: Dan

Competition Report: Given by Mike

There have been 2 events since the last meeting with 54 and 44 entries. There will be a possible make-up points event on 11/22.

Rallycross Report: Given by Louis

There are no further events scheduled this year.

Motion to accept: Tara
2nd: Arnold

Old Business:

There is still a broken link on the website. Arnold has updated the website. The tow fund checks have been distributed.

New Business:

New armbands are needed and a box of them will be ordered.

The Corvette Museum in Bowling Green is developing a site that will be suitable for autocross in the future. Bowling Green is currently in our region but may possibly want to start their own region. The TRSCCA is also looking at buying into the Corvette Museum site. Andrew will investigate.

Mike will contact the track to get a contract and insurance certificate for the 11/22 event. The 2 options would be a Race of Champions or a make-up points event for the event cancelled earlier this year. The consensus was to do a make-up points event.

Tom Kristensen has contacted Doug about finding someone to head up the next Street Survival event. The date is TBD but will be sometime in the spring.
