**Competition Report:** Given by Han

Han is getting together a plan for OktoberFast. Saturday's event will be held in the parking lot & Sunday's on the road course. Brian J. suggested changing to the opposite arrangement so that people from out of town would be likely to come Saturday & stay for Sunday, but we were unable to make the change. There will be dinner Saturday night from Bob's BBQ.

Brian M. has gotten prizes donated. We will do money runs and hand out tickets for the door prizes. A trophy has been donated by Tire World and will be given to the driver with the top combined pax times from both days. A polo shirt will be given to the driver with top pax for each day.

A discussion was held about whether we should use myautoevents.com & PayPal for the event, with the final decision being not to have people preregister &/or pay online. There will be a \$5 discount for drivers who sign up for both days and pay on Saturday.

The broken timing device has been sent off for repair.

**Rally Report:** Given by Louis

The National Challenge was held earlier in September with 22 entries. There was a small amount of rain on Saturday which helped keep down the dust. Drivers got a total of 8 runs on 2 courses – 1 technical and 1 fast. Randy is working on the final numbers, but the event brought in around \$500 for the club.
