RE Report: Given by Mike C.

At the last event, a driver in a CP Mustang who didn't register or pay took one of his wife's runs. Mike talked to him about insurance concerns. We may need to consider using a different color armband for registered drivers if the problem continues.

Motion to accept: Han

2nd: Brian J.

Competition Report: Given by Han

The Ag Center lot will not work for our events – it is too rough. Gaylord wants too much money to rent their lot and the crossover between lots is a concern. Han needs help scouting potential sites for next year.

We have giveaways for OktoberFast. We will do a polo shirt for top pax for both days. There will also be \$50 money runs for class winners trying to match their fastest time.

The National Tour already has over 60 registered entrants. We plan to reserve covered parking for the chiefs and club members who are working Friday. Campers will be allowed to come in beginning Thursday evening. The club will buy lunch for people working multiple shifts on Friday.

The club will order 100 t-shirts for the Tour in grey. The SCCA will provide trophies for the event. Dan and Brian J. will take care of grilling the food for Friday night. The club will have a keg of beer at the event.

Motion to accept: Brian M.

2nd: Tara

Old Business:

Han's cable was tested and works with the timing equipment from the National office.

New Business:

The trailer that was holding the handicapped parking signs at the Superspeedway will need new tires and boards, and the fenders are dented. Mike C. will buy the trailer from the club for \$800.

Han has room to store the club truck and trailer at his house.

Motion to adjourn at 7:30 p.m.: Doug
