Richard gave an update on the work that was done at the superspeedway to prepare the track for our events. Only Expense left is to replace Richard's chop saw which was burned up during use.

Concession stand to be set up from now on, the tracks vendor is the only one allowed to provide concessions.

Schedule is set for the year.

Precision Racing event was brought up again. Richard says this is a struggling organization and he would like to see some of the club members participate.

Evolution Driving School, first one is booked up and a second is being added.

Computer has been purchased and is in Dan's hands, board has been ordered not sure if Dan has it, he is in Italy.

Club needs to purchase more cones.

Allen motioned to appropriate \$600.00 in order to purchase cones.

There should not be anymore large expenditures for the club this year.

Richard asked for help on finishing the track.

*Old Business:*

None

*New Business:*

Spokesman for Mustang Club, Jim talked about the Mustang Club Event at the Superspeedway. He asked for corner workers in exchange for track time. The event will be held July 4<sup>th</sup> and 5<sup>th</sup>. The TRSCCA workers will be allowed to run the last hour after the mustangs are done. Paul is to head up the event, Jerry and Richard will be out of town that weekend.

Other events discussed were the go cart event in KY. Paul is heading up event, he needs workers.

Memorial Day Weekend is to include the Saturn Club Event and Eurofest, it will be a combo event. The Saturn club is in charge and will collect money to pay to SCCA. They need us to set up and we are renting them our equipment. We will supply the insurance, which will cost \$750 plus \$5.00 per car.

Andrew motions to adjourn at 7:42
