**RE Report:**

No report.

**Competition Report:** Given by Han

Han has begun to investigate 2 possible new event sites: the north parking lot at Gaylord and the Wilson County Ag Center. The Gaylord lot may have problems with the access road to an adjacent lot – there are curbs and ditches on both sides. It is also a small lot and would probably only support a 30-second course. The Ag Center lot is only partially paved. Han plans to meet with the manager and view the site.

Music City Raceway & Twin Fountains are also potential options. Mike plans to talk with a board member of the Smyrna airport as well.

Tire World & Castrol will be providing prizes for OktoberFast. The club will do money runs for class winners trying to match their fastest times. We will have dinner Saturday night from Bob's BBQ.

For the Friday night dinner at the National Tour event, the club plans to grill. Brian J. will check to see if he can get access to a large grill.

More glasses have been ordered as trophies. Han will buy the former club bus for \$1,000.
