Suggestion to duplicate timing equipment for timing concerns

Suggestion to have two registration lines and to have dual monitors one for the announcer

Computer will cost about \$400, monitor about \$700, and timing box about \$125  
Need to upgrade to long range emitter

Jason makes motion to make a \$1200 limit to upgrade and backup timing equipment -- All in attendance agreed

Problems with registration, they bypass Jim and miss class clarification

Need one line for barcode and one for novice

Question brought up about having online registration to reserve numbers  
Next year barcode will be by class and car #

Door prizes for Octoberfest, need help with that, need companies to donate door prizes, event will be 2 days

Next Rallycross is October 7<sup>th</sup> with an autocross to follow the next day

Jason makes motion to adjourn at 7:37PM
