

TRSCCA Meeting Minutes
May 2010

The meeting was called to order at 7:02 p.m.

Secretary's Report: April 2010 meeting minutes were presented by Janet.

Motion to accept: Jason

2nd: Doug

Treasurer's Report: Given by Nick

Checking: \$2,625.64

Savings: \$19,980.12

After the charitable donation, the club made \$291.00 on the 4th event of the year. We donated over \$800.00 to Vanderbilt Children's Hospital.

The 3rd event was held in the rain and the cost of renting a sweeper and fueling it caused the club to lose \$11.00.

Motion to accept: Andrew

2nd: Han

RE Report: Given by Richard

The May 2nd event was cancelled due to weather. We will look at the calendar to check on possible dates to reschedule.

Motion to accept: Han

2nd: Doug

Competition Report: Given by Han

We were able to rescue and repair the smashed timing light, and we got new antennas, so the timing equipment should be OK. The fire extinguishers have been replenished.

Mike Cavanaugh will be contacted about rescheduling the safety steward class.

At the next event, we need to check the placement of the decibel meter. It may have been too close to the track.

We may need to revisit the idea of preregistration for the track event as it makes it difficult to be fair to people who show up the day of the event. We may refund money or give a free event to a father & son from out of town who worked and didn't get to run.

Motion to accept: Nick

2nd: Doug

Old Business:

Street Survival is scheduled for 5/15. Doug has a good list of volunteers but could still use more. It will need to be set up on Friday afternoon, 5/14.

New Business:

Chuck Henson with the Chevelle Club contacted Andrew and would like to do an event on 6/11. Andrew will look into charges. They will need to use our timing equipment and will need volunteers to run the equipment.

Richard gave special thanks to Han, Arnold, & Nick for doing a good job this year.

More glasses for trophies need to be ordered – Han will look into it.

Motion to adjourn at 7:40 p.m.: Andrew

2nd: Han
