Competition Report: Given by Han

There are 59 t-shirts left from the National Tour event – we sold 41. We may post on various forums and try to send them there. Brian J. will post the sizes that are available.

The last event of the season will be 11/13 at Music City Raceway.

The club made between \$1500 and \$2000 on the National Tour event.

Old Business:

Mike C. will pay the club for the trailer he purchased.

New Business:

There was a suggestion that we ask Rick from the track to write a letter of recommendation for the club that we could present to potential sites.

Han will contact someone from the corporate office at Dover to see if there is any chance we could host events in the parking lot of the Superspeedway next year. There is also a possible site at Roadway Express that Han will investigate.

There was a suggestion that we may want to consider creating a club "media" position that would be responsible for things like posting to the club Facebook page.
